

Freshman Scholarship Worksheet 2023-2024

Transfer student? Scholarships are available for you. See page 2 of this form for more information.
Students who attend another college or university other than summer session after graduating from high school will forfeit the balance of these awards. Scholarships are set at start of enrollment at Walla Walla University.

Academic Awards

ACHIEVEMENT SCHOLARSHIPS

Renewable for three additional years.

High School GPA	Freshman Year Award
3.90-4.00	\$15,000
3.75-3.89	\$13,000

Scholarships for Transfer Students

While transfer students are not eligible for the freshman scholarships listed on the previous page, they are eligible for these scholarships:

SCHOLARSHIP AMOUNTS FOR TRANSFER STUDENTS

Transfer GPA 3.75-4.00	\$10,000 Transfer Scholarship
Transfer GPA 3.50-3.74	\$8,000 Transfer Scholarship
Transfer GPA 3.25-3.49	\$7,000 Transfer Scholarship
Transfer GPA 3.00-3.24	\$5,000 Transfer Scholarship

WHAT IS A TRANSFER STUDENT?

For purposes of scholarships, a transfer student is someone who has earned one or more college credits after high school graduation, but before attending WWU. This excludes credits earned during a summer session.

TRANSFER SCHOLARSHIP FINE PRINT

- Students with 1-11 accepted college transfer credits will be awarded a Transfer Scholarship based on the cumulative high school GPA.
- Students with 12 or more accepted college transfer credits will be awarded a Transfer Scholarship if cumulative college GPA meets the GPA requirement of the Transfer Scholarship.
- Do not apply toward summer school tuition.
- Are disbursed 1/3 each quarter.
- Are prorated if registered for less than 12 hours; not valid for less than 6.
- Recipients must maintain Satisfactory Academic Progress for a renewable Transfer Scholarship. wallawalla.edu/progress
- Transfer students are eligible for a maximum of four years of Transfer Scholarship or until they have met the maximum number of hours allowed by the Satisfactory Academic Progress Policy.
- Transfer students who have a break in WWU residency for one quarter or more and attend another institution are not eligible for reinstatement of the Transfer Scholarship. (Exception: ACA program as defined by WWU policy and SM Program)
- For purposes of scholarship eligibility, students can attend another accredited institution during the summer without affecting a transfer scholarship.
- Students who attend WWU, transfer to another school (except for summer) and then return to WWU are not considered transfer students and are not eligible for this scholarship.

FRESHMAN SCHOLARSHIPS FINE PRINT

- Academic awards require a recipient to maintain Satisfactory Academic Progress (except 3.80 on National Merit Scholarships). wallawalla.edu/progress
- Are disbursed 1/3 each quarter.
- Are renewable for three additional years, or a total of 12 quarters, except for Leadership.
- Do not apply toward summer school tuition.
- Are prorated if registered for less than 12 hours; not valid for less than six.
- Are subject to change.
- Scholarships must be used within six years of starting at WWU.

Did you know?

- More and larger scholarships are available for first-time WWU freshmen than for transfer students.
- Starting your college career at WWU could mean literally thousands of dollars in scholarships.
- Scholarships are not awarded on the basis of need, and you never have to pay them back.
- Grants are need-based awards you do not have to pay back.
- Loans have to be paid back.
